

Christian Salinas

The screenshot shows a computer desktop with a Microsoft Windows taskbar at the bottom. The taskbar icons include WhatsApp, Gestión del Trabajo Autónomo S12, Cisco Networking Academy Ethical Hacker, netacad.com, and several others. The Cisco Networking Academy window is the active application, displaying a course titled "Ethical Hacker". On the left, there's a sidebar with "Esquema de Curso" and "Recursos" tabs, and a search bar. The main content area shows a module titled "Módulo 7: Seguridad en la Nube, Dispositivos Móviles e IdC" with a progress bar at 100%. Below it, a list of sub-sections is shown with completion status: 7.0. Introducción (2/2), 7.1. Investigación de Vectores de Ataque y Ejecución de Ataques en Tecnologías en la Nube (13/13), 7.2. Explicación de Ataques y Vulnerabilidades Comunes contra Sistemas Especializados (16/16), and 7.3. Resumen (3/3). The "7.3.3 Cuestionario - Seguridad en la Nube, Dispositivos Móviles e IdC" section is currently selected, showing a green circular progress bar with the text "88%" in the center. Below the progress bar, a message states: "Has obtenido una puntuación de **88%**. Enhorabuena, has aprobado el examen." A green "Reiniciar" button is visible. The taskbar also displays system icons like battery level (2003), network (ESP), and date (30/7/2025).
